Subject: Søknad eller ikke? Vestre Karmøyvegg 748
To: <post@karmoy.kommune.no>

HeiHei,

I spoke with some of you on the phone because we want to put a extra window in the kitchen area. They asked me if i can send a mail with a drawing so they can see if i have to apply for a søknad or not.

The Adres is Vestre Karmøyvegg 748.

On the drawing you see window 1, that's already there but rotten. I assume I can just change that one?

Window 2 will be a new window. Size will be 160cm wide and 95cm high.

The top of the window will be at the same heights as all the windows and doors are right now. 200cm from the floor in the house.

Can i just do this or do i need to apply for it?

Hope to hear from you.

Greetings Remco
