The swimming pool is closed during the holidays. We therefore cannot rent it out.

Vormedalshallen can be rented Monday and Tuesday between 0800 and 1400. Wednesday at 0800 to 1200. On Maundy Thursday and Good Friday, the sports hall is closed and cannot be rented out.

I am asking you to let me know if it is relevant to rent the sportshall for the 3 days.

Med vennlig hilsen

Hi,

Thanks, can you check with the person for pool why? there is much debate about activities for those who don't want or are not able to travel for Easter. This Easter tysvævr is also close reducing the options for the community.

Would just like to know why we. Any arrange activities for children and the community!

I have received feedback for the swimming pool. Unfortunately, we do not rent it out during Easter week.

As far as the sports hall is conserved, it is not completely clear yet. I will send you an answer as soon as I can.

Hi,

Has the access to my access fob been updated, so we can get not the facilities during the day next week? Will someone let us into the pool or should I collect a key? We would like to post the times when people can use the pool ASAP!

Thank you for your inquiry. I have forwarded your request and will reply as soon as I know. This is during Easter week, so I'm not sure if the hall and swimmingpool are open.

Hello!

We are putting the final plans together for Easter activities, from 3/4/23 to 7/4/23, can we have a part of Vormedal Idrettshallen every day 8:00-15:00 and Vormedal swimming pool 13:00-15:00?

Mvh
