

**TO WHOMSOEVER IT MAY CONCERN**

The purpose of this letter is to inform you of the change in the listed address of The FMC BioPolymer manufacturing site that is producing Sodium Alginate (Protanal LFR 5/60).

The address is being changed by us for administrative purposes only and there is no change to the physical location of the manufacturing operation.

The new address will be

**FMC BioPolymer**  
Steinhaugvegen 1,  
5545 Vormedal,  
Norway

Whereas, previously it was

**FMC BioPolymer**  
Vormedalsveien 301-309,  
5545 Vormedal,  
Norway

Sincerely

Marthon Høyning  
Surveyor manager  
Karmøy kommune
