

# Proposals for joint activities to be implemented with a sister city

## Culture

- Art exhibits. Both schoolchildren and members of local art clubs exchange artwork with their foreign colleagues. Materials are displayed in public buildings and shop windows in both communities.
- Online exhibition of material cultural heritage of Korosten city community and sister city (weaving carpets, embroidered towels, handicrafts of local masters, creative works of public organizations of people with disabilities).
- Creation of an online book in Ukrainian and English with color illustrations "Adventure on the Red Hill" by the famous writer of Korosten and Zhytomyr Oblast Viktor Vasylchuk. The book tells about fabulous adventures related to the history of the founding of Korosten as a city and the famous archaeological site "Red Hill" (the materials are available only in Ukrainian).
- The trip of the Korosten amateur theater to the twin city with the performance "From the origins of antiquity" based on M. Morozenko's poem "Princess Olga".
- Photo exhibitions. Camera clubs exchange footage, slides and documentaries.
- Conducting a music festival (musicians and performers of both communities prepare a musical program and perform a concert in the twin city).
- Online project, a story about the history of the city of Korosten from students of the city lyceum for students of the twin city educational institution and vice versa.

## Sport

- The trip of sports teams from Korosten to hold tournaments and sports competitions (volleyball, athletics, football, etc.).

## Education, exchange of experience

- Organization of a language camp for the best students of Korosten schools on the territory of the sister city.
- Exchange of prominent citizens, musicians, students, teachers, professionals, workers of mass media, radio and television, etc.
