Mayor of the city of Karmoy
Jarle NILSEN

Dear Mr. Jarle Nilsen!

On behalf of the residents of the Korosten city territorial community and on my own behalf, I would like to express my sincere gratitude for your steadfast position, constant assistance to Ukraine and support of the Ukrainian people.

In order to develop long-term partnerships between our communities and support cultural, educational, professional and civic opportunities, we propose to develop a program of events for the next year for joint implementation and involvement of a wide range of citizens.

Please consider our proposals, which you will find in the annex to this letter, and give us your ideas for possible joint activities.

Together we build the future of our communities!

Sincerely,
Mayor of Korosten

Volodymyr MOSKALENKO
