Proposals for joint activities from Korosten

Dear Mr. Volodymyr Moskalenko, mayor of Korosten

I am very pleased to inform you that the municipal council of Karmøy kommune on the 23. of November presented a unanimous vote to start a partnership with Korosten.

I will, together with the deputy mayor of Karmøy kommune, work on your proposals for areas where we can collaborate. We also want to work together with teams and organisations, which is an important participant in our community. We will be happy to contact you when we have come some steps further.

I want to wish you and your community a merry Christmas and happy new year, despite your struggles.

Regards from Leiv Arne Marhaug, Mayor of Karmøy
