

Technical drawing of a garden layout. The drawing shows a rectangular area with a curved path or boundary. Labels indicate different materials and dimensions:

- Singel og kulestein** (Gravel and rounded stones) - located in the top right corner.
- Træbrygge på søen** (Wooden bridge over the pond) - located in the top left corner.
- Stier** (Path) - located in the center.
- Betongdekke** (Concrete cover) - located in the bottom right corner.
- Sedun på pukk våren 2023** (Sediment on gravel in spring 2023) - located in the bottom left corner.
- 4800** - dimension line indicating a length of 4800 units.
- 3100** - dimension line indicating a width of 3100 units.

Technical drawing of a garden layout. The drawing shows a rectangular area with a curved path or boundary. Labels indicate different materials and dimensions:

- Singel og kulestein** (Gravel and rounded stones) - located in the top right corner.
- Træbrygge på græs** (Wooden bridge on grass) - located in the top left corner.
- Stenbænk** (Stone bench) - located in the middle left area.
- Betongdekke** (Concrete cover) - located in the bottom left area.
- Sedun på pukk våren 2023** (Sedum on gravel in spring 2023) - located in the middle right area.
- 4800** - dimension line for the width of the concrete cover area.
- 3100** - dimension line for the width of the gravel and rounded stones area.
